Dear Friend:

I decided I had better drop you a line, as I know you will be glad to help me out. I am sure you have heard by now, we are coming to your city to play some games in Ebbetts Field. The first one is scheduled for May 21st between The Eagles and The Grays, the same two teams that played there last time, when you worked with us.

I have talked to Lou Nass, and at the time he had not fully decided just how he would arrange to handle the publicity. Has he spoken to you about it. I wrote him a few days ago, and asked him to carry a story I had enclosed, so as to start the ball rolling. I would appreciate it if you could let me know if the story was received and carried. I asked Lou to call me so we could get together. He has not had much time but I just thought I would play safe and check. I know a lot of stuff that is sent to the newspapers is thrown in the wastebasket.

We will have to draw well in Brooklyn, as the rent is higher this year, and our salaries are ridiculous. Therefore I do want to get started, and handle the publicity intelligently.

I will greatly appreciate hearing from you. If you don't have time to write phone me, reverse the charges, office phone Market 3,2641 private Market3-6555.

I hope you are enjoying good health, and certainly hope the baseball will survive and be successful.

Very Truly Yours
